

# Baby Massage Group

Baby Massage has many benefits.

It can assist with:

- Bonding
- Colic
- Relaxation
- Development
- Sleep
- Reflux
- Growth
- Immunity

Most importantly, Baby Massage is simply a special time for you and your baby to just enjoy being together!

**4 Week Program (1 Hour Per Session)**

**Runs Every Term**

**Please contact KPCC for next start date**

Suitable for babies up to 12 months,  
as well as expectant parents.

This program is facilitated by Madeleine, Occupational Therapist.

Bookings essential. There is no cost to attend.

Creche may be available for siblings.
