Quality Improvement Plan - 2015

Quality Area 1
Educational Program and Practice
Educators will develop an understanding of curriculum and teaching frameworks used in the early years of school. This will support educators to develop stronger links between learning at Preschool and learning at school.

Quality Area 2
Children’s Health and Safety
Key improvements have been achieved in this area in 2014.

Quality Area 3
Physical Environment
Staff will review the sustainable practices implemented at KPCC and develop guidelines to ensure these practices are embedded in our programs.

Quality Area 4
Staffing Arrangements
Key improvements have been achieved in this area in 2014.

Quality Area 5
Relationships with Children
Staff and educators will continue to develop responsive relationships with children to ensure the social and emotional needs of all children are met.

Quality Area 6
Collaborative Practices with Families and Communities
Through the development of a Reconciliation Action Plan, staff will develop a shared understanding of Reconciliation in our Centre and contribute to a greater understanding in our broader community.

Quality Area 7
Leadership and Service Management
Staff will regularly have opportunities to discuss the development of their professional performance.
